SUBJECT No. 471.

Improvements to Sri Viduraswatha.

Mr. Sura Sastri, Chikballapur taluk.

Summary of discussion.—The construction of mantaps at Viduraswatha is absolutely necessary, as devotees coming from various parts are put to great inconvenience for want of accommodation. The cost may be met from the State Grant in proportion to what the devotees have been able to raise for the improvements. If this is not feasible an advance of Rs. 3,000 may be granted subject to recoupment by annual instalments of Rs. 500 from the income of the institution.

Reply of Government.—Will be done as funds permit.

SUBJECT No. 472.

TUMKUR DISTRICT.

(*Nos. 473 to 479.*)

SUBJECT No. 473.

Extension of the Students' Hostel, Tumkur.

Messrs. Karnik Nallappa and Y. Rama Rao, Tumkur Municipal Council.

Summary of discussion.—At present there are not less than 60 students in the hostel at Tumkur. There is only one block of buildings which provides accommodation for only 24 students. The other students are accommodated in rented buildings which are at a distance of two furlongs from the main block. The students find it inconvenient to come to and go from the hostel during nights and in the rainy seasons. It is therefore requested that the students' hostel may be extended to provide accommodation for all these students.

Reply of Government.—This has been sanctioned recently.

SUBJECT No. 474.

Arya Balikapatasala at Kunigal.

Mr. Gundappa, Kunigal taluk.

Summary of discussion.—The Arya Balikapatasala at Kunigal gets a small grant from Government. It may be converted into a Government school or the grant increased.

Reply of Government.—The grant has been sanctioned recently from 1st July 1910. Some time must elapse before the question of increasing the grant can be considered.

SUBJECT No. 475.

Raising the height of the Sankanpur ané.

Mr. Ramanuja Iyengar, Kunigal taluk.

Summary of discussion.—The old Sankanpur ané had been built at a place 10′ or 15′ higher than the site where it now stands, and moreover the present ané was not built to the height to which it was orginally proposed to be
